Issue Numbers 51-100

The Bulletin of the King and Queen County Historical Society

Index to Numbers 51-100

(July 1981-January 2006)

**This index has been compiled for the Society by
Adam F. Jewell,
and was made possible by a generous gift from
Charles H. Ryland.**

**The work of Catharine R. Moser, member of the Society, in preparing the
Index is also gratefully acknowledged by the Society.**

**Members of the Society who have served as editors of the Bulletin
covered by this Index are Elizabeth Johnson, 51-57; Julia Henley, 58-59;
and Anne M. Ryland, 60-100.**

Notes:

1. The entries in this index refer to personal and place names, institutions, pertinent events, and genealogical subjects. The index is set up by Bulletin Number first, followed by the page of that issue. For example: Bulletin 55 Page 4 reads 55:4.
2. The Bulletin is published twice yearly, in January and July. January issues carry an even issue number and July issues an odd number. Issue Number 1 was July 1956.
3. An Index to Numbers 1-50 has been previously published in a separate document.
